Technical Data Sheet

BULK ORGANIC SPIRULINA TABLETS (500mg)

PRODUCT INFORMATION	
BOTANICAL NAME	Arthrospira Platensis
COUNTRY OF ORIGIN	China
PRODUCT CODE	Bulk01spirulina
BRIEF DESCRIPTION	Spirulina is natural, blue-green algae that harness energy from sunlight to fuel its growth. As one of the most protein-dense plant foods available and a rich source of micronutrients, it is one of the world's best, and original, superfoods. Cultivated and harvested in pure, freshwater pools, our minimally processed spirulina is dried into a naturally nutritious powder. The spirulina powder is then compressed by a registered pharmaceutical manufacturer into tablets containing 500mg of Spirulina. Spirulina tablets are inspected and meet the standards set by the Medicine and Healthcare Products Regulatory Agency. No bulking agents such as magnesium stearate, which may impact the taste, are used. Organic Spirulina Tablets are certified organic by the Soil Association under the code GB-ORG-05 and GB-BIO-142 under the EU organic standards
INGREDIENTS	100% Organic Spirulina Algae
SUGGESTED USE	6-10 tablets per day. Please consult your doctor before taking any nutrient-dense products.
PRODUCTION PROCESS	Culturing raw organic spirulina \rightarrow gathering and washing \rightarrow mesh screening \rightarrow spray drying \rightarrow milling \rightarrow tabletting \rightarrow packaging
PACKAGING	Aluminium bag + PE bag, 5kg/bag
SHELF LIFE & STORAGE	3 years when properly stored. Store in a cool, dry area, do not freeze and keep away from

strong, direct sunlight.

Technical Data Sheet

We periodically review our nutrition information based on a risk assessment to account for seasonal variability, growing conditions and other factors that cause nutrition results to vary. Please find our updated Technical Data Sheet.

AUTHORISED HEALTH BENEFITS BASED ON MICRONUTRIENTS

Micronutrients in Organic Spirulina Tablets contribute to:

- ✓ reduction of tiredness and fatigue
- normal formation of red blood cells and haemoglobin
- ✓ normal muscle function
- normal protein synthesis
- normal psychological function
- ✓ the maintenance of normal bones
- ✓ the maintenance of normal teeth
- ✓ the process of cell division
- normal cognitive function
- normal oxygen transport in the body
- ✓ the normal function of the immune system
- normal cysteine synthesis
- normal functioning of the nervous system
- process of cell specialisation
- the regulation of hormonal activity

- normal cognitive development of children
- normal macronutrient metabolism
- electrolyte balance
- normal energy-yielding metabolism
- the maintenance of normal blood glucose levels
- normal functioning of the nervous system
- the maintenance of normal mucous membranes
- the maintenance of normal red blood cells
- the maintenance of normal skin
- The maintenance of normal vision
- the normal metabolism of iron
- normal homocysteine metabolism
- normal protein and glycogen metabolism
- normal red blood cell formation
- normal iron metabolism

These approved health benefits are based on the detailed nutritional composition of the product we supply for informational purposes only and comply with regulation (EC) No 1924/2006. These health benefits may not apply to similar products from other suppliers.

ALLERGEN STATEMENT

Spirulina may contain naturally occurring sulphites. The list of allergens that are likely to cause adverse reactions in susceptible individuals is provided in Annex II of Regulation (EU) No 1169/2011. Sulphur dioxide and/ or sulphites at concentrations of more than 10mg/kg or 10mg/L (litre) in terms of the total SO2 which are to be calculated for products as proposed ready for consumption or as reconstituted according to the instructions of the manufacturers.

AUTHENCITY

Organic Spirulina Tablets are 100% natural and do not contain any additives such as sugars, acids, colourants, preservatives, etc.

GMO-FREE

Organic Spirulina Tablets is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter can occur. We hereby certify that Organic Spirulina Tablets is not subject to labelling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

Technical Data Sheet

PESTICIDES

Organic Spirulina Tablets comply with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). It also complies with Soil Association organic farming standards. During the manufacturing process, the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on-site, nor used in the manufacturing or warehousing areas.

IRRADIATION

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

BSE STATEMENT

Organic Spirulina Tablets is produced exclusively from a plant source, and do not contain any components of animal origin. It has not been derived from any animal source and has not come into contact with any components of animal origin.

RESIDUAL SOLVENTS

No residual solvents are used in the manufacturing process.

LEVEL OF UNDESIRABLE SUBSTANCES

The strictly controlled production process of Spirulina Tablets ensures that the levels of the undesirable substance (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

ANIMAL TESTING STATEMENT

NutsInBulk Ltd confirms that we do not conduct or commission animal testing of any products.

DISCLAIMER

The information contained herein is based on the present state of our knowledge and is intended to describe our product from the point of safety requirements. Therefore, it should not be construed as guaranteed specific properties of the product described. Our product specifications may be subject to change without notice.

This is an agricultural product; therefore, some batch variation may occur in terms of colour, flavour, odour, appearance and composition based on the growing conditions and seasonal variability.

The nutritional information provided in this document is based on nutritional testing and on average, as required by regulation (EC) No 1169/2011. The information is not meant to ensure a warranty of characteristics. It comes without commitment and is not valid for any claim of warranty and product liability respectively.
